The final answer to this question is yet to be determined. As of July 18, several preliminary contacts had been made to establish a memorandum of understanding to secure the services of this third party contractor for this purpose. The contacts to date are: the University of Baltimore, Schaeffer Center for Public Policy; and the Joint Centers for Justice Studies, Affiliated with the University of W. VA. Due date for completed analysis is planned for 11/25/2003, see Final Report task 3b below.

III. Status of Project Completion

Although the compliance assistance phase (Phase 2) is currently behind schedule, the overall project completion date is still on schedule to be met. The decision has already been made that the compliance assistance phase will still end as of the scheduled date and will last whatever time frame is allowed upon completion of the materials. The expected completion date remains 01/20/2004, as anticipated and reported in the initial Grant chart (see attachment A).

IV. Results:

Phase 1 is primarily on schedule. Phase 2 is still under development. Phase 3 is not scheduled to begin until 07/01/2003.
